Next Weekend - Come Join Us!

"Cheers for Charlotte" and Holiday Weekend in Wine Country!

Well, we have *finally* harvested all of our winegrapes, and Dornfelder and Hafen are now fermenting in the cellar - whew! Time for a break and a celebration!

We hope that you will join us next weekend, which is chock full of holiday events. Including our annual ***Cheers for Charlotte!*** tasting and benefit for the Santa Ynez Valley Humane Society. Read on!

Cheers for Charlotte!

"Paws" for a moment and stop in at our vineyard where we will be joined by a few of our animal-loving winemakers for an afternoon of good food, great wines and lively conversation! We'll be releasing the 2006 Charlotte's Reserve Dornfelder wine, a dark and friendly wine - just like black Labrador Charlotte, who now resides in dog heaven. Participating wineries include Cane Felice, Chien, Chien Tacheté, Clos Pepe, Flying Goat Cellars and Prodigal. A great lineup!

Tickets are just \$25 per person. All proceeds benefit the Santa Ynez Valley Humane Society.

More Holiday Cheer

Stop by our vineyard tasting room during Holiday Weekend in Wine Country and taste our latest releases. Our tasting fee is waived with the purchase of wine, and we'll pay the tax on all purchases!

Although the holiday season is celebrated here in Santa Barbara Wine Country throughout November and December, the first weekend of December is particularly full of festivals, open houses, tree lightings, music and art openings to name a few. Designated as "Holiday Weekend in Wine Country", we invite you to join us in the festivities during December 4-6.

Leave the crowds and the mall behind, and come share in the spirit of the holidays here in Wine Country!
